

Skilled cooks for airport project in Ilulissat, Greenland.

During the next 3 years, Munck Civil Engineering are building airports in Nuuk and Ilulissat. For the project in Ilulissat, we are now looking to recruit a number of skilled cooks for our camp canteen.

As a cook in Ilulissat, your primary task will be to prepare delicious meals for the airport project staff. You will be employed in our camp canteen, where approx. 120 employees consume their daily meals.

We are looking for a person, who:

- Is a skilled chef with experience a e.g. a ship chef, canteen chef or butler
- Manage to create great dining experiences based on the gastronomic platform available
- Is reliable, committed and flexible
- Can ensure good service and satisfied guests
- Speaks and understands Danish or English
- Holds a regular driving license

We offer:

- A unique opportunity for working and living in Greenland
- Professional and personal experience from an international infrastructure project
- Board and lodging in our camp near the construction site
- Salary and terms of condition according to qualifications

You will be working close with the rest of the kitchen team, including the canteen manager, whom you are referring to.

Interested?
